### INITIATIVE QUALIFIES FOR CERTIFICATION

The Elections Office of the County Registrar of Voters announced today that enough signatures have been submitted to certify an initiative pertaining to Board of Supervisors compensation and staffing.

The Registrar on Tuesday, March 27, will present the certification to the Board, which according to state law will either adopt the measure, place the measure on the November 6 Presidential Election ballot, or direct that a study of the measure be conducted prior to adoption or placement on the ballot.

The initiative's proponents submitted 73,672 signatures. The Elections Office completed the certification process as required by law, and the mandated random check of 3 percent of the signatures gathered exceeded the 110 percent validity rate required for certification. A minimum of 43,520 signatures were needed for certification.
